Spiritual Leadership in the Books of Moses (Hansel Wang) - While most of the textbooks on leadership in general and church leadership in specific focus on the organizational aspects of goal, objective, mission, relationally, span of control, team and teamwork, etc., this course will explore the significance of spiritual leadership in the Divine Presence that develops an individual of Abraham to the nation of Israel and from a group of slaves wandering in the desert to a generation of free people ready to take possession of the Promised Land in the first five books of the Bible.

Acts of the Apostles (Y. C. Ip) - The book of Acts is a continuance of all that Jesus began to do and teach (Ch 1:1). The Lord is not on this earth bodily now, but those who are believers are here in His stead for the spread of the gospel. However, before they can ever be effective in the spread of the gospel, there must be the empowering by the Holy Spirit.

## Benediction

Ephesians 3:20-21

Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen.
