

"Be An Influencer For Jesus" Proverbs 15:2

The tongue of the wise commends knowledge, but the mouth of the fool gushes folly.

1. Who are the influencer in our society? Have someone influenced your thoughts or actions recently? If God is supposed to be our first and ultimate influencer, how does God influence your thoughts or actions?
2. In 1 Corinthians 11:1 Paul told others to “be imitators of (him), as (he is) of Christ.” Do you feel worthy to influence others imitate you? Who is imitating you and who do you imitate?
3. According to Proverbs 15 we see that a wise person is an influencer because he/she shares knowledge in an attractive, appropriate and timely way. How can you share your wisdom from God in this same manner to others (use a concrete, real life example)?
4. Proverbs 14:15 says that “A simple man believes anything, but a prudent man gives thought to his steps.” How do you process information before sharing with others? How do you know if something is true?

5. In 1 Corinthians 2 Jesus is the full embodiment of God's wisdom. For Jesus, to know him is to be in relationship with him. If that is the case, how can we gain wisdom?
