 - Church History II: Protestant Reformation and Theology by Pastor Joe Yu
The **Protestant Reformation** was one of the major epochs in European history. It began in 1517 with the publication of Martin Luther's *Ninety-Five*. It changed people's way of looking at themselves and the world, it led to wider European literacy, and eventually forced governments to grant religious freedoms. More importantly in our Sunday school context, it impacted our view of the role and relation between the Church and individual believers, as well our theology about faith and salvation.
 - How to Interpret the Bible II by Hansel Wang
As an extension to the general principles and guidelines that govern the interpretation process for the Bible. This “Part II” course explores the specific

rules for the interpretation of different literary types, such as narrative, prophecy, epistle, apocalypse, etc., in both the Old and New Testament. \
